Giclee Prints: Loosely translated from French, "giclee" means "to spray ink." The giclee printing process involves the spraying of archival quality, light fast inks onto a variety of surfaces. In this case the ink is sprayed onto canvas and the print is then varnished.

1 1/4" thick giclee print
(does not require frame)

5/8" thick giclee print

5/8" thick giclee print framed
(frames are 1 1/4" thick black matte)
